RE: Power of Attorney Recordation for patent 6,153,096

NO. OF PAGES: 22

Message: I spoke with Ms. Richardson or Ms. Lewis on January 25, 2010 regarding getting Power of Attorney documents filed for older (paper) patents.

She instructed me to send them to your office via fax, as this would be the only way to get the correct attorney of record on file with the patent office.

I have been trying since November 2009 to get the Power of Attorney recorded.

I am faxing to you a POA with a 373.b along with the assignment.

This should be everything you need to process this recordation with the Patent Office.

If not, please contact me immediately and let me know if there is something else that needs to be done. Thank you for your assistance.
